## Subpart B [Reserved]

## Subpart C—Youthbuild Planning Grants

### § 585.201 Purpose.

HUD will award Youthbuild planning grants to eligible applicants for the purpose of developing Youthbuild programs in accordance with subtitle D of title IV of the National Affordable Housing Act. Applications will be selected in a national competition in accordance with the selection process described in the current NOFA.

### § 585.202 Award limits.

*Maximum awards.* The maximum amount of a Youthbuild planning grant is \$150,000 unless a lower amount is established in the NOFA. HUD may for good cause approve a grant in a higher amount.

### § 585.203 Grant term.

Funds awarded for planning grants are expected to be used within 12 months of the effective date of the planning grant agreement. The award of a Youthbuild planning grant does not obligate HUD to fund the implementation of the program upon completion of the approved planning activities (unless the companion implementation grant was submitted as a combined application and funded in the implementation grant competition).

### § 585.204 Locational considerations.

HUD will not approve multiple applications for planning grants in the same jurisdiction unless it determines that the jurisdiction is sufficiently large to justify approval of more than one application.

### § 585.205 Eligible activities.

Planning grant activities to develop a Youthbuild program may include:

(a) The undertaking of studies and research efforts to determine the feasibility and need for a Youthbuild program in a selected location including whether a proposed program can meet the education and training needs of young adults, aid in the expansion of affordable housing to meet the needs of the community, and achieve financial feasibility;

(b) The formation and establishment of a consortium among Federal, State, or local training and education programs, service providers, housing programs and providers including but not limited to homeless providers, housing owners, developers, and other organizations necessary for the establishment of a Youthbuild program;

(c) The preliminary identification and potential selection of housing for the Youthbuild program including an assessment of the type of housing program to be used and the method by which program participants will have access to the housing project;

(d) The planning and identification of resources required for basic skills instruction and education, job training and job development, leadership and employment skills development, counseling, referral, and other related support services that will be provided as part of the Youthbuild program;

(e) The preparation of an application for an implementation grant.

(f) Preliminary architectural and engineering (A & E) work for the Youthbuild proposed housing including:

(1) The development of cost and time estimates associated with the amount of work to be done through new construction or the rehabilitation of existing housing;

(2) Technical studies to evaluate environmental problems and to determine whether mitigation is feasible on the potential site; and

(3) The identification and initiation of the permit process required to commence work on the selected site.

(g) The planning and development of multi-disciplinary educational and employment training curricula, leadership development training, counseling,
